SERVING TO EQUIP PEOPLE...

STEP Ministries was founded in 1986. Since that time, we have striven to live out our name by “Serving To Equip People.” More specifically, we have equipped followers of Jesus to build one-on-one relationships with children in poverty in Central Arkansas. Everything we do at STEP is one-on-one. This might not be the most efficient way to produce eye-popping numbers, but our experience over the last thirty-plus years has taught us that it is the only way to have the depth of impact Jesus desires to see in the lives of our volunteers and students.

OUR PROGRAMS

MENTORING

Biblically-based, after-school discipleship program for youth, grades 3 through 12. Mentors commit to meet weekly and build a one-on-one relationship through a structured program that includes Bible study, life skills, and fun! Through this relationship, we introduce children to the love of Jesus and make disciples who make disciples.

TUTORING

After-school tutoring for elementary students. Tutors commit to meet once or twice weekly to work with students one-on-one by studying for tests and helping with homework in an encouraging environment. Through this relationship, we provide an environment that builds the child’s confidence while helping them improve academically.

ENCOURAGERS

In-school encouragement program in Central Arkansas elementary schools. Encouragers commit to meet weekly with two students one-on-one to work on a packet of materials provided by the teacher or be a positive, encouraging voice. Through this relationship we see improvement in attitude, confidence, and behavior.
