

Our Mission

To equip people in the name of Christ to serve inner-city children through intentional relationships

Our Vision

For believers to serve Jesus Christ by investing their lives in children living in poverty in Central Arkansas. These believers will grow in their personal relationship with Jesus Christ as they engage in the lives of children. The children will be influenced by their mentors to strengthen their faith, establish traditional family values, and create hope for the future living a life that honors God.

Mentoring

**COME...
SERVE...
GROW!!!**

Serving to equip people...

STEP Ministries was founded in 1986. Since that time, we have striven to live out our name by "Serving To Equip People." More specifically, we hope to have equipped the Body of Jesus to build one-on-one relationships with children in poverty in Central Arkansas. Everything we do at STEP is one-on-one. This might not be the most efficient way to produce eye-popping numbers, but our experience over the past thirty plus years has taught us that it is the the only way to have the depth of impact we think Jesus desires to see in the lives of our volunteers and students.

Come... Serve... Grow!!!

Mentoring

Purpose

The purpose of the Mentoring Program is for followers of Jesus to develop a long-term, one-on-one, discipleship relationship with a child from the Eastgate Terrace community in North Little Rock. Through this relationship, we hope to introduce children to the love of Jesus and make disciples who make disciples.

How It Works

Mentors commit to meeting once a week during the school year with their mentee to build a discipleship relationship with the help of a structured program provided by the staff. Mentors and mentees meet at the STEP Family Outreach Center for an hour and a half to study the Bible, learn life skills, play games, and be disciplined in following Jesus. Every fourth week, upon adequate attendance and participation, mentors and mentees participate in a Faithfulness outing. This is a time to deepen the relationship away from the STEP facilities with a fun activity.

Think mentoring might be right for you? Let us know a little bit about yourself!
